600 x 1200 mm

Inspire By Nature Architect Base Tile Effect," inspired by nature's textures, can be used on many things in different industries. You can have wall art with raised patterns inspired by nature or throw pillows with designs that look like the natural world. Every raised detail shows the exciting mix of tension, smoothness, gentleness, and complexity in nature.

Make indoor spaces more special with eye-catching wall art that brings nature inside. Patterns inspired by nature create a nice atmosphere, turning walls into beautiful works of art

Application Area

The Archstone Collection surfaces are architectural gems that can be used across a spectrum of environments. You can use these Tiles (Decor) as the backspace, Highlighted, Bathroom, furniture, Exterior, flooring, wall cladding, and much more - imagination is the key.

Product Advantages

Water Resistance

Digital vitrified tiles are waterproof, no liquid can damaged the surface.

Extremely Durable

Digital vitrified tiles high strength useful to any heavy traffic areas

Scratch Resistant

Digital vitrified tiles do not splinter, break or get damaged

Hygienic Surface

Digital vitrified tiles antibacterial antiviral surface

StainResistant

Digital vitrified tiles are completely non-porous and therefore are not damaged by stain or humidity

Easy to Clean

Digital vitrified tiles can be cleaned with a simple passage of water or detergent.

Fire Resistant

Digital vitrified tiles are not flammable, reduce the spread of flames, do not burn, and do not emit toxic fume

Luxurious Look

Digital vitrified tiles have a luxurious and elegant look on walls and floors.
